The office action is in response to the amendment filed on September 19, 2007.

The pending claims are not patentable for the following reasons:

1. In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

Claims 1-49, 51-57, 67-68, 71-76, 79-112 are rejected as being based upon a defective reissue Oath/Declaration under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.

Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."

See MPEP § 1414.01.

2. The applicant should include any changes, additions, or deletions that were made by a Certificate of Correction to the original patent grant in the reissue application without underlining or bracketing. Certificate of Correction changes and disclaimer of claim(s) under 37 CFR 1.321(a) should be made without using underlining or brackets. Since these are part of the original patent

and were made before the reissue was filed, they should show up in the printed reissue patent document as part of the original patent. See MPEP § 1411.01.

3. The amendment filed on September 19, 2007 proposes amendments to the claims that do not comply with 37 CFR 1.173(b)(2), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required.

(A) For each claim that is being amended by the amendment being submitted (the current amendment), the entire text of the claim must be presented with markings as defined above;

(B) For each new claim added to the reissue by the amendment being submitted (the current amendment), the entire text of the added claim must be presented completely underlined.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.
